Tribes, Businesses, and Organizations in Northern California Counties:

We are writing on behalf of the 8<sup>th</sup> Annual Inter-Tribal Environmental Youth Camp. We are comprised of local tribes committed to providing our youth with valuable knowledge of the Natural Environment from a Native American perspective.

We are a 3-day camp for families and youth (targeting ages 8 to 17); attendance is 100 - 150 people. They will learn the benefits and wonders of the environment, thus motivating them to explore their natural world and promote interests in environmental science, biology, natural resource management and local cultural activities.

The Inter-Tribal Environmental Youth Campout will take place from June 25 – 28, 2018 at the Noyo-Bida Ranch in Fort Bragg on property owned by the Potter Valley Tribe.

Payments or materials supplied will be kept in a special account by the Administrative Secretary at the Potter Valley Tribe. Please make out checks or POs to:
