### **Open Invitation to All Interested Lake, Mendocino and Sonoma Tribes**

The 6<sup>th</sup> Annual Inter-Tribal Environmental Youth Campout will be held late June, 2016 at Noyo-bida Ranch in beautiful Fort Bragg, California. The event provides a safe atmosphere for native youth and is intended to be inclusive of the larger tribal community. All tribes are invited to sponsor native youth and/or families to participate and make the event a success!

Tribal youth will participate in a combination of workshops and presentations including topics on the environment, culture, health and wellness, and education. Fun team-building games and activities will be mixed in throughout the week and provide a great opportunity for native youth to make connections and build relationships.

Tribes interested in signing up for the event or for more information, please contact Theo Whitehurst, Environmental Technician, Potter Valley Tribe at 707-462-1213 or [pvtepattech@pottervalleytribe.com](mailto:pvtepattech@pottervalleytribe.com). Tribal representatives who would like to participate, provide a workshop, or activity are invited to attend the next planning meeting at the Potter Valley Tribal Office located at 2251 South State Street, Ukiah CA.

We appreciate your support and look forward to hearing from you.

Regards,

Theo Whitehurst on behalf of the Inter-Tribal Environmental Youth Campout Planning Team
